

Deepak Prajapat

WEB DEVELOPER

I'm a passionate and motivated web developer with a strong foundation in web technologies. Currently pursuing my undergraduate degree in Computer Science, I am dedicated to honing my skills in HTML, CSS, JavaScript, and other modern web tools. Despite being a fresher, I've already embarked on personal projects that reflect my commitment to learning and creating. With an eagerness to contribute, learn, and adapt, I'm excited to bring my enthusiasm for web development to a dynamic team where I can grow and make meaningful contributions

Tasks

- I've crafted a responsive hover card using HTML code to enhance user interactions.
- I've developed a digital clock using HTML, CSS, and JavaScript within VS Code to seamlessly display the current time.
- I've skillfully crafted a set of fundamental components, including an animated box, a responsive navigation bar, and an interactive chat box, combining HTML, CSS, and JavaScript to enhance user engagement and experience.
- I've created a classic game of Tic Tac Toe using a fusion of HTML, CSS, and Java to provide an enjoyable and interactive gaming experience.
- I've crafted a logo animation with scaling transformations using CSS to add visual dynamism and engagement.
